About Paragon Technologies

Paragon Technologies, Inc. is a holding company with diverse business activities. Paragon seeks to acquire or invest in other businesses in part or whole. These investment activities include the purchase of securities in accordance with the Company's investment policy and the complete acquisition of operating businesses. Paragon's investment holdings currently consist of partial ownership interests in distribution, insurance, and restaurants. Our investment mandate is flexible, limited only by our focus on maximizing return on invested capital. Paragon's wholly owned operating subsidiary, SI Systems, Inc., offers branded technologies and material handling solutions that serve manufacturing operations and order fulfillment applications. Operating decisions for Paragon's operating businesses are made by the management of those businesses. All investment and capital allocation decisions under Paragon's investment policy are made by Sham Gad, Chairman and CEO of Paragon in consultation with Paragon's Board of Directors.
